

# New transfer pricing services portfolio

February 1, 2016

Our team of expert professionals in this area has designed a service portfolio to help companies reduce its risks by harmonizing its business objectives, the intercompany transactions and determining solutions related to transfer pricing.

Our services include, among others:

- Support in the preparation and filing of the formal obligations in Colombia and internationally
- Preparation and implementation of Transfer Pricing Policies
- Diagnoses
- Advisory and support in the negotiation of APAs
- Support in conflict resolution processes
- Preparation of the document of assets, liabilities, capital, income, and expenses attribution for a permanent establishment.

Our service portfolio has been structured taking into account the elements part of the “Base Erosion Profit Shifting” (BEPS) initiative prepared by the Organization for Economic Co-operation and Development (OECD).
