

## Overview

Colombia is Latin America's third largest economy and one of the region's most dynamic markets. Led by a strong fiscal climate and robust commodity exports, business opportunity abounds throughout the urban centers in the Andes to the coastal cities on its two ocean shores Atlantic and Pacific, this country offers clients from many sectors around the world the benefits of expanding and globalizing their business.

Benefit of the presence of Dentons Cardenas & Cardenas, part of the largest law firm in the world, which offers tradition, innovation and talent in two of the main markets in the country, Bogotá and Medellín. Bogotá as capital city and economic center of the country, and Medellín as the second largest city of Colombia, and the main industrial city with an economy driven by the textile, financial services, food and beverages, infrastructure and commerce sectors.
