

## Overview

Rely on Colombia's leading law firm for advice in the technology and telecommunications sectors, providing counsel on regulatory, transactional, and dispute resolution issues. Our experience includes advising local and foreign developers, distributors and suppliers of information technology systems and services.

Our team regularly assists in the drafting of IT agreements, as well as handling a number of important local and cross-border transactions involving M&A, joint ventures and other financings. We also regularly handle major litigation and arbitrations on behalf of name-brand IT players.

Our market-leading IP team also offers extensive experience with the local and regional prosecution of the IP portfolios of clients in these sectors. We assist with the management of complex IP portfolios and advise on privacy, consumer protection, information and technology, advertisement and promotional matters, and regulatory issues.

Whether you are looking to do business in Colombia, or looking to expand outside it, we provide you with business solutions wherever your business takes you.
