

Overview

Benefit from a full-service Corporate team providing general corporate, commercial and civil law support to local and international clients with operations in Colombia. Our advice ranges from corporate structuring to assisting with day-to-day activities, including the implementation of business relationships, drafting the full range of business contracts, such as distribution, licensing, franchising, agency and joint venture agreements.

We provide comprehensive guidance with corporate governance, including the drafting and preparation of Codes of Best Corporate Practices and Codes of Ethical Business Conduct, the definition and structuring of policies, and the filing of compliance reports on new regulatory requirements and market standards.

Benefit from comprehensive coverage of both in-court and out-of-court restructuring proceedings, based on our deep experience handling corporate, banking, capital markets, labor and tax matters.

Additionally, we advise foreign individuals and companies on their investments in Colombia, and guide Colombian nationals (individuals and legal entities) interested in investing abroad on regulatory issues, including the registration of investments with the appropriate authorities. We also regularly assist investors with Colombia's foreign exchange rules understanding and compliance.

Whether you need assistance in Colombia or around the world, rely on a corporate team with offices on six continents, operating in the communities wherever you do business.

Areas of focus include:

- Financial Institutions
- Mergers and Acquisitions
- Private Equity
