

## Overview

Benefit from working with a Litigation and Dispute Resolution practice that has handled many of Colombia's most complex, high-stakes disputes. We effectively represent our clients through all dispute resolution stages, and we regularly advise clients on all types of corporate and commercial claims.

We have extensive experience successfully representing clients before civil, commercial, and administrative courts in complex disputes related to construction contracts, infrastructure deals, business contracts, distribution agreements, consumer protection, antitrust law, torts, insurance, class actions, and bankruptcy and insolvency proceedings, amongst others. Our dispute resolution team works together with lawyers and professionals in the Firm's tax, labor, competition and corporate practices to provide comprehensive advice and representation in disputes concerning those areas of law.

Benefit from deep knowledge of domestic and international arbitral practice, as well. We represent clients before commercial, civil, administrative, and labor courts and have a consistent track record securing favorable judgments for local and international clients. Our arbitration practice has deep experience with a variety of major domestic and international arbitration proceedings under ICC, ICDR, and UNCITRAL rules, among others.

If your dispute involves multiple jurisdictions or multinational parties, rely on an unmatched global presence with the ability to provide you with talented lawyers from around the world.

Areas of focus include:

- Arbitration
- Privacy and Cybersecurity
